Network Workbench Talk by Bonnie Huang and Bruce Herr:
9/17/07

Weixia (Bonnie) Huang, Senior System Architect and **Bruce Herr**, Senior Software Developer; Cyberinfrastructure for Network Science Center will present research about the *Network Workbench* project on Monday, 9/17/07.

SLIS faculty member, **Katy Börner**, is the founder and director of the Center and the **Information Visualization (IV) Lab**. She has scheduled a series of informal research talks for Fall 2007 related to the Center and the IV Lab. She posted an invitation to the talks:

"The talks will be held almost every Monday, 4:00-5:00 p.m. at SLIS, Room 030. A draft schedule is below. Feel free to join us." - Katy
